Dear Roberto,

I have sent a quotation to Andrea. You need SS-810-A-8ANF + SS-10M0-6-8.
delivery time is 4-5 days.

Meilleures salutations

Dear Guillaume,

Andrea ordered some connector (SS-600-A-6ANF) for a compressor but they are not good for our need.

They are too small on the compressor side, while look ok on the pipe side.

In attachment you can find some more info (with pictures).

Ian Crotty will call you this afternoon to see for a solution.

We need the new connectors very urgently.

Thanks a lot

Kind regards

Roberto
