Customer Account: If you, or your company, have purchased a [Global Support](#) agreement with PTC, you are entitled to this account level.

If you already have a web account associated to one customer number, and would like to add it to another so that you may use one email address and switch between customer numbers, please do not create a new eSupport account. Instead, go to [Manage Company Settings](#), log in, and add the new customer number to your existing account.

Please refer to your PTC Software Order Fulfillment Letter for information necessary to setup your PTC.com customer account, such as your Service Contract Number (SCN).

Please click [here](#) if you need help with registration.
