Your booking of Dangerous Goods/Cargo Aircraft Only to Islamabad

AWB Nr.: 214-7624 2585 GVA-BSL-KHI-ISB 400 kg
Total 2 Pal., each 120 x 80 x 180 cm = 1,536 m3

Dear Mr. Fontaine

We kindly ask you to accept our utmost apologies, but Pakistan International Airlines cannot, at the moment, accept any Cargo Aircraft Only Dangerous Goods to ISB. An embargo has been placed on CAO goods to destinations other than Karachi. Reason being the special situation at the moment with relief goods for Pakistan.

We are well aware that you already made this booking with us on Friday, December 2nd, 2005 (two working days ago). Unfortunately we were not advised in advance, or we would have of course advised you immediately, at the time of your booking with us. We booked your shipment with the responsible PIA Cargo offices in Frankfurt and Karachi, and it was accepted, but unfortunately we have received only now a negative information. Again we must kindly ask you to please accept our utmost apologies for this terrible case of misinformation. We are well aware that this is a big inconvenience for you and your client. Please note we would like to accept your shipment, but the decision has been taken by the PK cargo head office in Karachi.

As a possible solution, we would like to advise you that we/PK can transport the goods upto Karachi, so if the client is agreeable to change the airport of destination to KHI, we would of course accept this booking, under the same AWB number.

We must kindly ask you to re-evaluate the situation with your client and advise us as soon as possible what we are to do with this booking.

With many thanks in advance for your understanding and kind co-operation.

With best regards,

Your Cargo GSA representative for PIA Switzerland
